Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for development of the 30th and Madison Street Project in Louisville, Kentucky. The entity to receive funding for this project is the Louisville Metropolitan Government, located at 527 W Jefferson Street, Louisville, KY 40202. The funding would be used to develop community-owned real estate assets in Louisville's Russell neighborhood. The project is appropriate for taxpayer funds because this project will develop a currently vacant, contaminated property into residential and commercial ownership opportunities for residents of Russell.

The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey
Member of Congress
